

1060 Common Phrasal Verbs With Plenty Of Examples Synonyms Advanced English

Phrasal verbs are a type of idiomatic expression that consists of a verb followed by a preposition or adverb. They can be used to express a wide range of meanings, from literal to figurative. For example, the phrasal verb "to look up" can mean either "to search for something" or "to respect someone."

Phrasal verbs are very common in English, and they can be difficult for learners to master. This is because they often have multiple meanings, and their meaning can change depending on the context in which they are used.

This book is a comprehensive guide to phrasal verbs in English. It includes 1060 of the most common phrasal verbs, each with a definition, example sentences, and synonyms. This book is perfect for students of English who want to improve their fluency and vocabulary.
