The Call of the Horn

Lunt's fascination with Cape Horn began in childhood, when he read Ernest Shackleton's epic account of his Antarctic expedition. Shackleton's unwavering determination and resilience left an indelible mark on Lunt's young mind.

As he grew older, Lunt's dream of sailing around Cape Horn intensified. He spent years meticulously planning and preparing for the voyage, building his own 40-foot steel sailboat, "Swell."

A Voyage of Hardship and Triumph

In 2017, Lunt set sail from Panama, embarking on a journey that would test his limits both physically and mentally. Facing gale-force winds, towering waves, and treacherous icebergs, Lunt pushed himself to the brink as he navigated the treacherous waters of the Southern Ocean.

Despite the hardships, Lunt's resolve never wavered. He found solace in the solitude of the sea, drawing strength from the beauty and power of nature. Through it all, he kept a meticulous log, chronicling his experiences and reflecting on the profound lessons he learned along the way.

The Power of Solitude

One of the most striking aspects of Lunt's memoir is his exploration of the transformative power of solitude. Sailing alone for months on end forced him to confront his fears, limitations, and the true nature of his inner self.

In the solitude of the sea, Lunt found a deeper connection to himself and to the world around him. He learned the importance of perseverance, adaptability, and embracing the unknown.

A Legacy of Adventure

Upon rounding Cape Horn, Lunt became only the 13th person in history to complete a solo circumnavigation of the globe. His remarkable achievement stands as a testament to the indomitable spirit of human adventure.

"Ahead or Behind, Forever on My Mind" is more than just a sailing memoir. It is a deeply personal and inspiring story of one man's quest to push the boundaries of human possibility. Through Lunt's gripping narrative and stunning photography, readers are transported to the heart of the Southern Ocean, where they will experience the raw power of nature and the indomitable spirit of exploration.

For those with a thirst for adventure, a love of the sea, or a desire to explore the depths of human resilience, "Ahead or Behind, Forever on My Mind" is a must-read. Scott Lunt's extraordinary journey around Cape Horn will forever inspire and captivate readers.
