A World on the Brink

In the aftermath of a catastrophic event known as the Apocalypse, angels have descended upon Earth, their once-glorious wings now tainted with bloodlust. They have enslaved humanity, treating mortals as mere playthings and food sources. Amidst this chaos, a glimmer of hope emerges in the form of Penryn Young, a 17-year-old girl who has miraculously survived the onslaught.

Penryn's life is forever altered when her family is captured by the angels. Desperate to save them, she embarks on a perilous quest to the angels' stronghold, a towering fortress known as the Tower. Along the way, she encounters a cast of unexpected allies, including Raffae, a fallen angel who defies his brethren to help Penryn.
