In a rapidly changing world, where traditional business models are becoming obsolete, it's time to break the rules and create new economies that are more sustainable, equitable, and innovative.

*Break Rules to Build New Economies* is the groundbreaking book that challenges conventional wisdom and empowers you to create innovative and sustainable business models that transform our world.

This thought-provoking book is a roadmap for entrepreneurs, business leaders, and anyone who wants to make a positive impact on the world. It provides practical strategies for creating new economies that

- Are based on shared values and purpose
- Prioritize sustainability and social impact

- Embrace technology and innovation to disrupt the status quo

Drawing on cutting-edge research and inspiring case studies, *Break Rules to Build New Economies* offers a visionary framework for rethinking business and creating a more just and prosperous future for all.

## **Key Insights from Break Rules to Build New Economies**

This book is packed with thought-provoking insights that will challenge your assumptions and inspire you to think differently about business. Here are a few key insights from the book:

- **The old rules of business are broken.** The traditional model of profit maximization and shareholder primacy is no longer sustainable. We need to create new business models that prioritize social impact and environmental sustainability.
- **Technology and innovation are essential for disrupting the status quo.** We can use technology to create new products, services, and business models that make the world a better place.
- **Collaboration is key to building new economies.** We can't create a more sustainable and equitable world by working alone. We need to collaborate with others to share ideas, resources, and support.

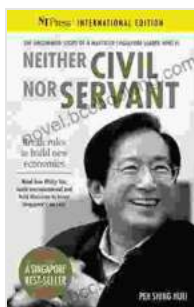

## **Break Rules to Build New Economies: A Must-Read for Changemakers**

If you're an entrepreneur, business leader, or anyone who wants to make a positive impact on the world, *Break Rules to Build New Economies* is a must-read. This book will challenge your assumptions, inspire you to think

differently about business, and empower you to create a more just and prosperous future for all.
