## Perfect on Paper by Sophie Gonzales

Darcy Phillips has always been a perfectionist. She's the girl who gets straight A's, is president of every club, and has a plan for everything. But when she meets Alejandro "Alex" Fuentes, the new boy at school, her carefully constructed world starts to crumble.

Alex is everything Darcy is not. He's messy, impulsive, and doesn't seem to care about anything. But there's something about him that draws Darcy in. She finds herself falling for him, even though he's everything she's always tried to avoid.

'Perfect on Paper' is a heartwarming, witty, and thought-provoking novel that explores the complexities of love, self-discovery, and the elusive nature of perfection. It's a story that will resonate with anyone who has ever felt like they didn't measure up.

"I'm not perfect," Darcy said. "I'm a perfectionist."

Alex laughed. "That's like being a vegetarian who loves steak."

"It's not funny," Darcy said. "It's a real thing."

"I know," Alex said. "I just think it's funny that you're so hard on yourself. You're amazing, Darcy."

Darcy stared at him. "You don't even know me."

"I know enough," Alex said. "I know that you're kind, and smart, and funny. And you're beautiful."

Darcy felt her cheeks flush. "Thank you," she said.

"You're welcome," Alex said. "And for the record, I think perfection is overrated. It's boring. I'd rather be with someone who's a little bit messy, and a little bit real. Someone who's perfectly imperfect."

Darcy smiled. "I think I like you, Alex Fuentes."

### **About the Author: Sophie Gonzales**

Sophie Gonzales is the author of several young adult novels, including 'Only Mostly Devastated' and 'The Law of Inertia'. Her books have been praised for their wit, heart, and relatable characters. Sophie lives in Austin, Texas, with her husband and two cats.
