Print length : 32 pages

Base jumping is one of the most extreme sports in the world. It involves jumping from a fixed object, such as a cliff, building, or bridge, with a parachute. Base jumpers typically wear wingsuits, which allow them to glide through the air before opening their parachutes.

This book is the ultimate guide to base jumping. It covers everything from the basics of the sport to the most advanced techniques. With stunning photography and in-depth interviews with the world's top base jumpers, this book is a must-have for anyone who wants to learn more about this exhilarating sport.

Whether you're a beginner or an experienced jumper, this book has something for you. It's packed with information on:

- The history of base jumping
- The different types of base jumping
- The equipment you need

- The training you need
- The safety procedures you need to follow

This book also includes a chapter on the psychology of base jumping. It explores the motivations of base jumpers and the challenges they face. It also provides tips on how to overcome fear and anxiety.

If you're looking for the ultimate guide to base jumping, look no further. This book has everything you need to know to get started in this exciting sport.
