

Or Life Of Montaigne In One Question And Twenty Attempts At An Answer: A Must-Read

Michel de Montaigne was a French Renaissance writer best known for his *Essays*, a collection of personal and philosophical reflections that have been widely read and admired for centuries. Montaigne was a keen observer of human nature and a skeptic of many of the certainties of his time. His work is full of insights and wisdom that is still relevant today.

The book is based on a series of twenty questions that author Sarah Bakewell posed to herself about Montaigne.
