By Robert Vaughan

Preacher Massacre: The First Mountain Man 19 is an epic historical novel that recounts the harrowing experiences of James Beckwourth, a legendary frontiersman who survived a brutal massacre and went on to lead an extraordinary life.

In 1824, Beckwourth was part of a fur trapping expedition led by William Ashley when they were attacked by a group of Blackfoot Indians. The

attack, known as the Preacher Massacre, left 14 men dead, including Ashley's brother. Beckwourth was one of the few survivors, and he was left with a deep hatred for the Blackfoot.

After the massacre, Beckwourth vowed revenge. He spent the next several years tracking down and killing Blackfoot Indians. He also became a skilled trapper and explorer, and he eventually became one of the most famous mountain men in the American West.

Preacher Massacre is a gripping and suspenseful novel that brings to life the harsh realities of the American frontier. It is a story of survival, revenge, and redemption.

Praise for Preacher Massacre

"**Preacher Massacre** is a must-read for anyone interested in the history of the American West. Robert Vaughan has written a gripping and suspenseful novel that brings to life the harsh realities of the frontier." -

Larry McMurtry, author of Lonesome Dove

"**Preacher Massacre** is a powerful and moving story. Vaughan's writing is evocative and immersive, and he does a masterful job of capturing the spirit of the American frontier." -

James A. Michener, author of Centennial

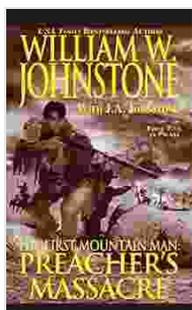

About the Author
