

# Prognosis: A Memoir of My Brain - A Journey of Hope and Discovery

In 2013, Eve Ensler was diagnosed with a life-threatening brain tumor. Given only a 30% chance of survival, she underwent a risky surgery that left her with permanent brain damage. In Prognosis, Ensler shares her unflinchingly honest and deeply moving journey through the aftermath of her diagnosis and surgery.

With her trademark wit and candor, Ensler vividly recounts the challenges she faced in the months and years following her surgery. She describes the physical and cognitive deficits she experienced, the emotional rollercoaster she rode, and the profound changes she underwent in her relationships with herself and others.

But Prognosis is more than just a memoir of illness and recovery. It is a story of hope and resilience, of finding meaning in the face of adversity.

Enslar writes about the importance of community and support, the power of creativity, and the transformative potential of suffering.

Prognosis is a beautifully written and deeply personal account of one woman's experience with brain injury. It is a story that will resonate with anyone who has ever faced a life-altering challenge. It is a story that will inspire hope, courage, and the belief that anything is possible.

## Praise for Prognosis

"Prognosis is a raw, honest, and ultimately hopeful memoir of one woman's journey through a life-altering illness. Eve Enslar's writing is as powerful as it is moving, and her story is a reminder that even in the darkest of times, there is always hope to be found." — Oprah Winfrey

"A stunning testament to the power of the human spirit. Prognosis is a must-read for anyone who has ever faced adversity." — Arianna Huffington

"Eve Enslar's Prognosis is a masterpiece of storytelling. It is a brave, honest, and ultimately uplifting account of her journey through brain injury. I highly recommend this book." — Elizabeth Gilbert
