In a realm where starlight illuminates the night sky, a fierce battle rages between the warrior kings of Alioth.

Scorched By Starlight is an epic fantasy novel that transports readers to a world of danger, love, and destiny. With intricate world-building, gripping characters, and electrifying battles, this novel will keep you on the edge of your seat from the first page to the last.

A World On Fire

Alioth is a planet scorched by the relentless sun. Its inhabitants have adapted to the harsh conditions, becoming fierce warriors who live and die by the sword.

The planet is divided into seven kingdoms, each ruled by a warrior king. These kings are constantly at war with each other, vying for power and

control.

The Warrior Kings

At the heart of **Scorched By Starlight** are the warrior kings themselves. Each king is a complex and multifaceted character, with his own motivations and ambitions.

There's King Darius, the ruthless and ambitious ruler of the desert kingdom of Kharon. King Aric, the noble and just king of the forest kingdom of Atheria. And King Jaxon, the enigmatic and powerful king of the ice kingdom of Boreas.

A Gripping Tale Of War And Destiny

As the war between the warrior kings rages, a young woman named Anya finds herself caught in the crossfire. Anya is a healer, and she has the power to heal the sick and wounded.

Anya's powers soon attract the attention of the warrior kings. Each king wants to use her for his own purposes. But Anya has a destiny of her own, and she must choose carefully who she will serve.
