Talk Cheap, Action Expensive is the ultimate guide to negotiation. In this book, you'll learn the secrets of successful negotiation from the experts. You'll learn how to prepare for negotiations, how to build rapport with your opponents, and how to use different negotiation techniques to get the best possible outcome.

Whether you're negotiating a salary, a contract, or a deal with a customer, Talk Cheap, Action Expensive will give you the tools you need to succeed.

Here's just a taste of what you'll learn in this book:

- The four key elements of successful negotiation
- How to prepare for negotiations and gather information
- How to build rapport with your opponents and create a positive negotiating atmosphere
- Different negotiation techniques and how to use them effectively
- How to close a deal and get what you want

Talk Cheap, Action Expensive is more than just a book about negotiation. It's a tool that you can use to improve your life. By learning the secrets of successful negotiation, you can get more of what you want without having to pay more. You can build stronger relationships, close more deals, and achieve your goals faster.
