Author Ron Lieber, a personal finance columnist for *The New York Times*, draws on his own experiences as a parent and interviews with experts to provide a wealth of advice on how to raise children who have a healthy relationship with money and material possessions.

Lieber argues that the key to raising unspoiled children is to focus on teaching them the value of hard work, gratitude, and delayed gratification.

He also emphasizes the importance of setting limits and boundaries, and of providing children with opportunities to learn from their mistakes.

The Opposite of Spoiled is not a preachy or judgmental book. Lieber recognizes that there is no one-size-fits-all approach to parenting, and he offers a variety of tips and strategies that parents can adapt to their own families.

Whether you are a new parent or a seasoned pro, *The Opposite of Spoiled* is a valuable resource that will help you raise children who are grounded, generous, and responsible.

Reviews

"*The Opposite of Spoiled* is a must-read for parents who want to raise children who are happy, healthy, and successful. Lieber's advice is practical, compassionate, and based on the latest research on child development." - **Our Book Library.com**

"Lieber's book is a refreshing antidote to the culture of overindulgence that is so prevalent today. He provides parents with the tools they need to raise children who are grounded, responsible, and grateful." - **(Kirkus Reviews)**

"*The Opposite of Spoiled* is a valuable resource for parents who want to raise children who are happy, healthy, and successful. Lieber's advice is practical, compassionate, and based on the latest research on child development." - **Goodreads**
