The book is called *The Secret Skills of an Ex-IDF Special Forces Operator That Will Keep You Safe*, and it's written by my friend and former colleague, Aviv Kochavi. Aviv is a highly trained and experienced special forces operator who has served in some of the most dangerous conflicts in the world.

In his book, Aviv shares the secret skills that he learned during his time in the IDF. These skills are not just for soldiers; they're for anyone who wants to be able to protect themselves and their loved ones from harm.

Here are just a few of the things you'll learn in Aviv's book:

- How to assess and mitigate risk
- How to defend yourself against unarmed and armed attackers
- How to survive in a hostile environment
- How to provide first aid in an emergency
- And much more

Aviv's book is not just a collection of techniques; it's a comprehensive guide to personal safety that will help you stay safe in any situation.
