Vince Flynn, the bestselling author of political thrillers such as *Term Limits* and *Executive Power*, has turned his attention to the medical field with his new series, *Hospital Sick*. The first book in the series, also titled *Hospital Sick*, is a heart-pounding thriller that will keep readers on the edge of their seats from beginning to end.

When a deadly virus breaks out in a small-town hospital, it's up to Dr. Angela Rossi to stop it before it spreads to the rest of the world. But as she investigates, she soon realizes that there's more to this virus than meets the eye. Someone is deliberately trying to spread it, and they will stop at nothing to achieve their goals.

With the help of a team of experts, Angela races against time to find a cure for the virus and stop the outbreak. But as she gets closer to the truth, she becomes the target of the killer. Now, she must not only save the world but also save herself.

## **A Gripping Medical Thriller**

*Hospital Sick* is a gripping medical thriller that will appeal to fans of Michael Crichton, Robin Cook, and Tess Gerritsen. Flynn's writing is sharp and suspenseful, and he does an excellent job of creating a sense of urgency and danger.

The characters are well-developed and relatable, and the reader is quickly drawn into their struggles. Angela Rossi is a strong and determined heroine, and the reader will root for her every step of the way.

## **A Must-Read for Thriller Fans**

*Hospital Sick* is a must-read for fans of thriller fiction. It's a fast-paced, action-packed story that will keep readers on the edge of their seats from beginning to end.

Vince Flynn has once again proven why he's one of the most popular thriller writers in the world. *Hospital Sick* is a gripping, suspenseful, and thought-provoking novel that will stay with readers long after they've finished reading it.
