

We Are the NASA Scientists: Inspiring Stories from the Frontlines of Space Exploration

Meet the People Behind NASA's Groundbreaking Missions

From navigating the vast expanse of space to studying the intricacies of our own planet, the scientists of NASA are at the forefront of human exploration. In this captivating book, you'll meet some of the most inspiring minds behind the scenes of NASA's groundbreaking missions.

You'll hear from scientists who have dedicated their lives to understanding the origins of the universe, exploring the depths of the solar system, and searching for life beyond Earth. You'll learn about the challenges they've faced and the triumphs they've celebrated, and you'll gain a new appreciation for the incredible work that NASA scientists are doing to expand our knowledge of the universe.
